

Youngstown State University

Department of Mathematics and Statistics
Grading Policy for Mathematics 1572

Course Title: Calculus II

Instructor: John Buoni

Office Hours: T & Th 9:00 – 9:30, , 3:00 – 3:30

Attendance and grading policy: Students are responsible for attending class, taking exams and keeping up with the material as covered in class. A website is maintained at <http://www.math.yzu.edu/~buoni/> that lists what has been covered in each lecture and the assignments. If a student misses class they should seek out the website for what they missed.

Grading Policy: There will be three midterms (100 points each) and a two hour final (150 points). Grades will be based on a percentage of the points earned.

The cutoffs are as follows:

90% - A

80% - B

65% - C.
