1. My academic major(s) is ________________________________.

2. Mathematics 3751 adequately covered the subjects in the course description:
uniform convergence of sequences of functions; functions on n-space; derivatives
in vector spaces; mean value theorem; Taylor’s formula; inverse mapping
theorem; and the implicit mapping theorem.

   1) Strongly disagree   2) Disagree   3) Neutral   4) Agree   5) Strongly disagree

3. The prerequisites for this course are Math 3720 (Linear Algebra) and Math 2673
(Calculus 3). These courses adequately prepared me for Mathematics 3751.

   1) Strongly disagree   2) Disagree   3) Neutral   4) Agree   5) Strongly disagree

   What additional courses, if any, helped prepare you for Mathematics 3751?

4. The text chosen for this course was appropriate and useful.

   1) Strongly disagree   2) Disagree   3) Neutral   4) Agree   5) Strongly disagree

5. The level of difficulty of the material presented was appropriate.

   1) Strongly disagree   2) Disagree   3) Neutral   4) Agree   5) Strongly disagree

6. For each hour of class time, I spent approximately the following numbers of study

   1) 1 hour   2) 2 hours   3) 3 hours   4) 4 hours   5) more than 4 hours

7. This course improved my ability to reason mathematically by constructing and
presenting mathematical proofs.

   1) Strongly disagree   2) Disagree   3) Neutral   4) Agree   5) Strongly disagree
8. Lectures were the primary method of presenting subject matter.
   1) Yes  2) No

9. The problem sessions were helpful in understanding the subject matter.
   1) Strongly disagree  2) Disagree  3) Neutral  4) Agree  5) Strongly disagree

10. Group discussions among students were held informally outside of class.
    1) Yes  2) No
